Celtic-European festival of the Sea

Derry Finale 2-4 June 2006

Welcome

The River Foyle will become awash with colour and excitement when the city hosts the finale weekend of the Celtic European Festival of the Sea 2006.

The weekend will bring a variety of maritime attractions and entertainment from throughout Ireland and beyond. These include tall ships of old, modern day navy ships, maritime exhibits and displays, seafood cookery demonstrations, French Market, and live music from some of our very best home grown musical talent.

Don't miss...the adaptation of Eamon Friel's **Port Pageant**, by performers from the Playhouse and Lilliput Theatre. Enjoy the antics of Sea captain, **Deathrow Jethro** – and his sea mates, **Seagulls and Bui Bolg**. Listen to the **Emerald Ceili Band** who will entertain you along with **Lee Hedley Band** and the **Blues Brothers Tribute Band**.....all this and lots more...

Join us for an extravaganza of maritime activity!
